## EDNA MARTIN

### LONG TERM CARE INSURANCE SPECIALIST

Edna's exposure to the world of long term care began in the late 1990's when she and her husband took both of her parents into their home to live with them. After her father passed away, Edna became her mother's primary caregiver. This experience opened her eyes to the overwhelming emotional and financial choices families are often forced to confront. Since 2001, Edna has used her personal experience to help her clients understand how to make plans for their future care. By planning ahead, she helps her clients avoid the tough choices and sacrifices she was forced to make on behalf of her mother. By early 2008 she was invited by LTCA to join their team of experts.

Edna has found that most of her clients are searching for a knowledgeable agent who can offer unbiased information and advice, as well as a variety of carriers and products from which to choose. By virtue of her affiliation with LTCA, Edna has been able to capitalize on the advantages of multiple top-rated carriers and can uniquely tailor solutions to each of her client's needs.

While many of her long-standing clients reside in Washington State, Edna appreciates the opportunity to meet and assist individuals all over the country who wish to protect themselves and their families from the financial and logistical pressures related to long term care. As the endorsed provider of LTC insurance to groups as varied as the American Society for Clinical Pathology and Banner Federal Credit Union, LTCA is also endorsed by numerous alumni associations to share their knowledge with concerned Americans across the country.

Edna was recently ranked one of Washington State's Top 5 agents by the American Association for Long-Term Care Insurance (AALTCI). She and her wonderful husband Don have celebrated over 40-years of marriage together.

### About Long Term Care Associates

With roots dating back to 1972, Long Term Care Associates, Inc. has now entered its 5<sup>th</sup> decade focused exclusively in the LTC insurance marketplace. Headquartered in Bellevue, WA, the company expanded its national footprint in 2003 to become one of the industry's most recognized names.

When LTCA's founders began, the company's mission was to ease the financial and emotional burden that a catastrophic care event could have on families. We're proud that the claim payments received by our policyholders are now measured in the tens of millions of dollars. Leading the country by serving over 5 million members of sponsoring organizations, our commitment and passion for this business remain as strong as ever.
